Circular No. 07

04th June 2026

Dear Parents / Guardians and Learners

Life is a precious gift, and none of us knows how much time we have to fulfil our purpose. What matters most is not how long we live, but how we choose to live each day. At NEW FOREST HIGH SCHOOL, we encourage every learner, educator, parent, and staff member to live with purpose, integrity, and compassion, making a positive difference wherever possible. Each kind word, act of service, lesson taught, goal achieved, and life touched leaves a lasting legacy. Let us strive to make the most positive impact for as long as we can, whenever we can, remembering that our greatest contribution is not what we gain, but what we give to others.

These words, often attributed to John Wesley, provide a fitting guide for purposeful living :

*“Do all the good you can,
By all the means you can,
In all the ways you can,
In all the places you can,
At all the times you can,
To all the people you can,
As long as ever you can.”*

May we embrace this challenge every day and continue to honour our motto, Honor Ante Honores – Honour Before Honours.

A STAFF NEWS

It is with deep sadness that I officially inform you of the passing of our colleague, educator and friend, BRONWYN SIBILANT. She dedicated her last living years in the service of learners and community of NEW FOREST HIGH SCHOOL. Her passing leaves behind a void, but at the same time, fond memories. Bronwyn had a wicked sense of humour, an interest and love for her teaching and children in her care.

We send sincere condolences to her family, her friends, her learners both current and past, and to her colleagues on the staff. May her soul rest peacefully.

B ACADEMICS

We are currently finalizing all School Based Assessment (SBA) marks for the term. Our learners in Dramatic and Visual Arts have started their practical examinations. The rest of the school will begin their written mid-year examinations on Monday, 8th June 2026. The examination timetable, scopes and rules have been shared with parents/guardians via this platform.

Please familiarize yourself with your sons' or daughters' examination time table. You must also insist on them coming back home straight after exams to prepare for the next paper. Loitering at school or on the roads will not be tolerated. Please make necessary transport arrangements.

C WINTER UNIFORM

We remind the school community that blazers only are the out garment during the winter season. Ensure compliance with this regulation to avoid unnecessary stress during this assessment / examination period. Learners who do not comply with uniform regulations will receive consequences in line with our Code of Conduct.

D WINTER SCHOOL

A reminder that selected learners in selected subjects will be required to attend the upcoming June/July Holiday Lessons. The programme has already been shared and letters will be given to individual learners. The holiday lesson programme is compulsory for those who receive letters. A register will be taken.

E GRADE 12 TRIALS / PRELIMINARY EXAMINATIONS

The Trials time table will be shared with the school shortly. Please ensure once received, that structured revision programmes are effected to ensure the best performance.

F END OF TERM 2 – SPORTS AND EXTRAMURALS SEASON

We have come to the end of our term 2 sports and extra murals programme.

I thank our staff for their dedication to holistic education, our captains for their leadership and our athletes', sportsmen and sportswomen for upholding our core values and the Panther Spirit.
